## A Word from the Director—Robert Harlow

Since our last newsletter, RSVP has embarked on yet another new initiative. We have joined the Beloit's "Literacy for Life" initiative through the Stateline Community Foundation. RSVP volunteers will operate "learning stations" at places where parents attend informational sessions or in schools where students have free periods and can choose to work with an RSVP volunteer. During their sessions, children have the opportunity to work with a volunteer on literacy activities and at the end will receive a book that they can take home. The Stateline Community Foundation and Ecolab have provided funding for this program.

As most of you know, I will be retiring the end of this year. It has been a great 14 plus years here at RSVP and I am proud to have been a part of this wonderful program. Although there have been challenges along the way, it has been inspiring to come to know the many volunteers dedicated to making their communities a better place to live and grow. RSVP has had many great Board members through the years and it has been extremely rewarding to see their dedication to RSVP's mission. I am also thankful for our community partners who have worked with RSVP staff in providing meaningful volunteer opportunities for our volunteers. It has also been great to work with great staff, both past and present. They have all been dedicated to our mission and have worked hard to make RSVP an outstanding program. Many thanks to our funders as well. I am looking forward to retirement and plan on spending some time travelling, visiting with our kids, stepping up my golf game, and of course working on the never ending "honey do" list. And yes, I will be volunteering! The Board of Directors of RSVP are in the final stages of hiring a new executive director. I hope that you will welcome the new director, just like you welcomed me when I began my duties here at RSVP. I wish you all a happy and healthy Holiday season and I am confident that you will keep RSVP moving forward.

## **Intergenerational News**

By Laura Anastasi

I'm celebrating five years with the Retired & Senior Volunteer Program. The HEROES program was enjoyed by many. We completed our 6 week, afterschool program in schools such as Fran Fruzen Intermediate, Townview, Cunningham and Kennedy Elementary. BABES touched many young people's lives in Beloit and Janesville with a very important lesson attached. Fun was had by all! America Reads volunteers are working in all the elementary schools in Beloit and many in Janesville. I would like to thank all the volunteers who have stepped up to help make these programs such a success.

We have four Intergenerational programs that are always looking for volunteers. So, don't be shy, call Laura to find out how you can get started today at 362-9593 or 756-4281. You won't regret it!

**BABES** – (Beginning Alcohol and Addiction Basic Education Studies) is a puppet show to educate first graders about substance abuse, peer pressure, making good and healthy decisions. There is a Beloit group and a Janesville group.

**FOLK FAIRS** – RSVP Folk Fair volunteers demonstrate and display various lost arts, crafts, hobbies, music skills and talents to area schools. We are looking for volunteers who have knowledge to share about weaving, rail roads, civil war, tatting, and collections or any other areas of interest. You say you don't have a talent, well no problem. We have several displays that anyone can demonstrate. Come check us out and see if Folk Fair volunteering is for you.

**INTERGENERATIONAL HEROES** – An after-school program that teaches fun, healthy activities and hobbies in small groups. We have card playing, cooking, arts & crafts and so much more. We would love to have you join us.

**AMERICA READS** – Do you have a little extra time to help a child with their reading? This program helps to assure that all children read at grade level by third grade. We really need more volunteers for this program. So please volunteer and make a difference in a child's life. It's never too late to start helping.

### **Thanks to all of the great RSVP Intergenerational Volunteers that have made a difference this past year!**

## Seniors Volunteering for Seniors

By Patty Hansberry

Thank you to all of the volunteers who have so selflessly provided a much needed service to our Rock County seniors. Without you many area seniors couldn't visit the doctor, get groceries, get or take needed medications or just simply have someone to visit with. In some cases the volunteers have walked into situations that are life threatening and handled it very well. In October we helped 3 people get to the emergency room after drivers found them on the floor or in a state of confusion. I received a grant to attend a Wisconsin and Minnesota transportation conference in LaCrosse. I had a good time and met many people who share the love of transporting people. I would like to wish each and everyone of you a Happy Holiday season and a very prosperous New Year.

## Cookie Puzzle

### Ingredients

- 1 tube (18 ounces) refrigerated sugar cookie dough, softened
- 1/2 cup all-purpose flour
- Blanched almonds
- 2-1/2 cups confectioners' sugar
- 4 to 5 tablespoons whole milk
- 1 teaspoon vanilla extract

### Directions

- In a large bowl, combine cookie dough and flour. On a parchment paper-lined surface, roll dough into a 14x11-in. rectangle. With cookie cutters, cut out puzzle shapes. Slide a baking sheet under the parchment paper and dough. Chill for 5-10 minutes.
- Remove shapes; place on an ungreased baking sheet. Place an almond on its side into the center of each shape for a handle. Bake shapes at 350° for 7-9 minutes or until edges are golden brown. While still warm, recut shapes with the same cookie cutters to form neat edges. (If cookies cool too quickly, return to oven until softened.) Remove to wire racks; cool.
- Bake large rectangular puzzle on a parchment paper-lined baking sheet for 12-13 minutes or until edges are golden brown. Immediately recut the shapes inside the puzzle to form neat edges. Cool completely on a wire rack.
- In a small bowl, combine the confectioners' sugar, milk and vanilla until smooth. Tint frosting with food coloring as desired. Frost puzzle and shapes; decorate with decorating gel and sprinkles as desired. Place puzzle shapes inside puzzle.
